Alumni & Parents Weekend

Students, parents and alumni all got a chance to see Maine in its early fall glory while enjoying a fine day of intercollegiate athletics. Fortunately, beautiful weather and some key wins over Tufts were provided to all the dedicated spectators. Small reunions of past classmates both young and old occurred as alumni returned to visit and honor our alma mater, and parents and students experienced their own reunions-of-sorts after the first month of school. This weekend was an especially poignant opportunity after the recent events of September 11th for families and alumni to come together in celebration of the Bates community.

Halloween

Trick or Treat

Halloween proved yet again to be one of the wildest and most festive occasions on campus. Celebrations began in Commons, where costumed staff served up both food and fun. A number of students made the off-campus rounds for Trick or Drink, but the main event of the weekend was on campus as the Gray Cage rocked with the biggest dance party of the year. Students combined inventiveness, effort and talent, showing off costumes with humor, glitz and gore. Whether clad in outfits sexy, scary, or silly, students energetically danced the night away amid video screens and blaring techno and hip hop beats.

Harvest dinner

Fall in Maine

Bates Dining put on its greatest show in the Wednesday-night "Adventures in Dining" series with the annual Harvest Dinner. After warming up with some delicious cider, students and faculty progressed into a spruced-up Commons for turkey dinner with all the fixings, or a variety of other tastes scattered among the smaller rooms. Accordion and fiddle music filled both Chase and the Gray Cage, where Maine- and tree-shaped cakes and other desserts were served. Guests could also opt to follow their meal with a horse-drawn wagon ride around campus, admiring the brilliantly colored foliage of fall in Maine.

Winter carnival

Wild Wild West!

A weaker winter season kept students from making the most of their ski passes, but full advantage was taken of the few instances of heavy snowfall. Complex sculptures appeared on the quad while snowball fights and ice luges popped up all over campus. Outdoor fun was celebrated during Winter Carnival with a puddle jump and snowshoe softball, reviving a Bates tradition from the 1920s. Indoor activities were wild indeed with a Western-themed dance, concert by country singer Robert Earl Keen, and amusements in the Cage complete with lassos, cow milking, and a mechanical bull entertaining and challenging all that participated.

all-college Gala

THANKING THE HARWARDS

This year's All-College Gala was an opportunity to recognize and thank President and Mrs. Harward, who began the Gala tradition 12 years ago. Guests were invited to write messages to the Harwards on paper leaves, which were then assembled into a tree and displayed along with the rest of the splendid decorations. The Gray Cage and Alumni Gym were once again transformed with twinkling lights, fancy finger foods, and live music to which students and faculty alike danced and mingled the night away in their finest dresses and suits. Gala continues to be the classiest party of the year and a great celebration of the Bates community.

Short term

Fun in Sun (& Showers)

Short Term 2002 was met with a few too many showers - both of rain and snow! The cold weather didn't stop students from enjoying the usual short term activities, though, and flag football, camping trips, and late-night barbeques persisted despite falling flakes. Fortunately, as the weeks went by the weather heated up - and so did the fun. Along with the traditional IM softball tournament, frisbee games on the quad, and trips to Range Pond, STAC sponsored free buses to the Old Port and Red Sox and Seadogs games, and introduced Thursday night "drive-in" movies. The Outing Club's Clambake at Popham Beach was again a success, as was Ronjstock and the Luau and Pig Roast party on the library terrace. With so much going on and so much less work, how could Short Term not be the best time of the year?

The 2001 season was less than satisfactory. The high point of the season was our dramatic overtime win 38-35 over Bowdoin. Not only was it our only win, but the ability to pull out the win after letting Bowdoin score 21 unanswered points to go to overtime shows audacity and poise, two characteristics usually uncommon to a team as young as we were. It is a sign of something exciting about to happen as the team heads into the 2002 season.

Beginning this season, no one knew exactly what to expect. Coming off last year's great accomplishments, and losing some great players, left the team with very high hopes for the incoming freshman class. Also this season marked the first year that the seniors would not have a new coach. With all the anticipation, the team was established, with a roster comprised of half freshman and half returning players. Although our team was young this year, we did not let that stop us from being successful. This success was not just through our winning record, but also by meeting certain team and individual goals. But the most important success of the season was that we all grew as teammates and as friends. On a team as small as the this, these dynamics are what kept us going through those long tournament weekends. As always, the Volleyball program is continuing to grow and improve. Each year we gain new talent but we also learn from the success and failures of the teams that have come before us. Speaking for the departing seniors, we will miss all the good laughs and we wish the team the best of luck next season. Woo! Woo!

The Bobcats started the season in impressive fashion with wins over NESCAC rivals Middlebury and Tufts. In their first nine games of the season, the team netted an 8-1 record while allowing only 2 goals and scoring 30. Leading the Bobcat attack were seniors Alicia Dermody, Kate Dockery, Heather Thomson and Amanda Waterhouse. The season took an unfortunate turn in the following games when injuries capsized the dominate defense. The Bobcats finished the season with a 10-4-1 record and hosted the first round of the NESCAC tournament.

For the first time in history, the Men's Soccer team reached the NESCAC tournament. While they lost a hard fought game at Middlebury, the team played with heart and determination. Additional highlights of the season came late in the game against Tufts as the Bobcats defeated the Jumbos in front of a huge Parents' Weekend Bates crowd. The Bobcats can look forward to more successful seasons with the young talent on the team. While the Bobcats will miss graduating seniors Dan Spector, Drew Weymouth, and Eric Folkemer, the team can expect a bright and successful future.

Aww man, this year Men's Cross Country had some solid performances. A second place finish at the Hayseed Classic and seventh place at Regionals were solid team efforts. Captain Justin Easter also earned individual All-America honors with a 19th place finish at Nationals. The team is poised for big steps in the coming years. With twelve first-years overall and five in the top seven, the team will have a strong base for next year. The seniors will sorely miss their times spent with the team.

The Women's Cross Country team enjoyed a solid season in 2001. This young but experienced team of runners proved their talent in a very competitive conference and moved up in the scoring over last year. Traditionally a very close team, this year's squad was no exception, despite the addition of many new runners. Each individual was an integral part of the group's accomplishments, and numerous team members recorded lifetime bests during the season. Bates is expecting to build on the successes of 2001 and reclaim a position among the top 10 New England teams in 2002.

This past year's record does not reflect the hardwork and skill this team possesses. Although we finished with a 2-11 record, many games were very close in score. The team holds tremendous potential with great depth for future seasons. This year the team will lose four seniors. This group of girls came to Bates Field Hockey under the direction of a new coach, Wynn Hohlt. Together, they have both played a vital role in developing the team and raising the level of play.

The 2001 Golf season was a success by anyone's standards. With not one senior among the bunch, and two new coaches, the team was indeed a young one. The coaches, Bob Flynn and Peter Lasagna, worked together as a dynamic duo, supportive and encouraging and instructive. The dynamics between the co-ed teammates reflected the same attributes. We look forward to next fall when we hope to have all of our collective talents converge on the same day, in the same match. The team is excited about the potential to move to a new course, and to expand the women's program into a full team.

The highlight of our season was beating Bowdoin at home, and handing them their only loss of the season until their loss in the Sweet Sixteen. We were a young team this year with seven freshmen on the roster. We were surprised at how quickly we were able to gel as a team, and also how much the freshmen contributed to the season. Knowing that we have the talent and athleticism to do even better next season, we have set our sights on the NESCAC title. By working on our individual weaknesses, and focusing on stregnth training this summer we hope to attain this goal.

Men's Basketball started off strong this season with captain Ed Walker being named the MVP of the Wheaton tournament. After that, the Bobcats played tough and suffered some close defeats. Captain Alex Wilson was named to the Second Team All-NESCAC, and can be counted along with seniors Walker and Billy Hart as 1,000+ point scorers. All three seniors contributed immensely to the team by playing hard and will be missed next year.

With a deep freshmen class complementing their corps of veterans, the Bobcat Swimmers had the most balanced attack in recent memory. Every member of the team contributed to posting this year's 7-4 dual meet record and 6th place finish at the NESCAC championship. 9 college records and 3 Tarbell pool records were toppled as the Cats flexed their muscles. The team was recognized outside of the pool as well, being named to the CSCAA All-Academic team, with two Academic All NESCAC athletes and the Milton Lindholm Award winner. As always, All American diver Andrew Hastings shined at nationals, and was recognized by the Auburn/Lewiston Sports Hall of Fame for his outstanding career. Bobcat swimming is alive and well.

The Women's Swimming and Diving team had its most successful season in its history while being lead by captains Meg Ferrari, Liz Horan, and Kate Humphrey. The team finished the dual meet season with a record of 9-2 and were CBB champions. 23 swimmers went to the NESCAC championships where the Bobcats placed 5th , our best finish ever. First-year Kara Seaton broke all of the diving records on both the 1 and 3 meter boards while classmate Vanessa Williamson broke the 200 fly record and went to the NCAAs to finish a fantastic 7th place in the 200 fly, becoming an All-American. This was a wonderful season and one that will always be remembered in years to come.

This year was marked by a major change as Coach Paul Gastonguay became exclusively Tennis leaving both Men's and Women's Squash in the care of Coach John Illig. We had our best finish ever—14th nationally even despite being the only team without true wide courts. We persevered under Illig's law "squash is just a game, so smile" and by the fact that we have more fun off-court than any other team out there. It was a great season and everyone should feel proud. As for the three seniors, I think we all know how much squash has meant to us over the past four years. We know squash transcends sport and many of our best friends and best college experiences have come out of the game.

The Women's Squash team set new records in 2002 under the tutelage of Coach John Illig. The infusion of freshman talent coupled with the experience of returning players equalled success as the team placed third in the NESCAC. This season provided the toughest competition ever, and in spite of this the 'Cats relished many wins, including one particularly memorable win against UPenn. Senior co-captain Aisha Shah achieved All-American status for the second year in a row, a testimony to her dedication to the sport over the past four years as the number one seed. The high caliber of talent and the prospect of building new courts ensures that the future of Women's Squash at Bates is promising, with the potential of eclipsing even this year's great achievements.

With an exciting freshman class, the Men's Indoar Track and Field team accomplished many unexpected goals. Most impressive was qualifying a relay team for natianals far the first time in Bates histary when the Distance Medley Relay (Gray, Gresham, Drago, and Dawning) team ran 10:13.69 at the Open New England Championships. This accomplishment shaws the depth and youth of our team, as two members are freshman and the other twa juniors. Bates placed 18th at the NCAA Division III Championships with 10 paints as captain Jaime Sawler won the 35# weight thraw with a heave of 64'1-3/4", a quarter inch shy of the school record.

The 2002 Indoor season was marked by many highlighed performances. Captain Rebecca Hakala was named Lindholm Scholar-Athlete Award winner which honars student-athletes with the highest grade paint average. Sophomare Liz Wanless qualified automatically for the NCAA Championships in the shot put and placed 10th. She currently holds the schaal record in the shat put with her qualifying throw. Captain Jenn Strahle qualified provisionally far the NCAA meet in the 35 paund weight. Junior Kelley Puglisi also provisionally qualified for NCAAs in the 1500 meter run with a time af 4:41.90, a new schaal record. Puglisi also set the school record in the 1000 meter run with a time of 3:01.07. The team in general had more depth than any previous years and this year's freshman class was ane af the mast talented Bates has ever seen. This class will combine with the strength af the upperclassmen to create a very campetitive team in the future.

Both the Men's and the Women's Nordic Ski Teams made some amazing achievements this past winter. It is hard to explain quickly what it is like to see Bates College men and women getting better each and every race, but that is exactly what happened all winter. With a strong fall of training the race season seemed, for some, like it would never arrive. When snow flew, skiing faster was the only thing on people's minds. This season was without a doubt the mark of steps in the right direction for the Bates College Nordic Skiing program. With a strong class being welcomed in next year and no senior losses to contend with our ranks will only be strengthened as Bates looks to get to the top of the Eastern College Ski Circuit!

Bates' Alpine ski team also had a strong season, led by senior captains Kyle Hildebrand and Jo-Ellen Rowley under the direction of new head coach Rogan Connell. Hildebrand joined Nordic teammates Justin Easter and Haley Johnson in earning All-East recognition and competing in the NCAA Championships.

The Women's Lacrosse team enjoyed another successful season, finishing 6th in the NESCAC and returning to the post-season tournament. Undoubtedly, the highlight of the season was the Bobcats' overtime upset over #4-ranked Williams, marking their first win over the Ephs since 1995 and earning them a national ranking. Seniors Liz Coulson and Jenn Strahle served as the backbone of the team, with Coulson as the go-to player on attack and Strahle as a wall in net. Only graduating these two seniors, this team of young potential will look to advance further in post-season play in years to come.

The Men's Lacrosse team overcame the tragic loss of our teammate and captain Morgan McDuffee three games into the season to finish 8-7 with a 4-5 record in the NESCAC and a berth in the NESCAC tournament. Our biggest win of the year came against #9 Bowdoin. We won 10-7 and defeated the Polar Bears for the first time since 1985. We then lost to Bowdoin in the first round of the NESCAC tournament. Seniors Patrick Gaughan and Jack Sandler were named to the First Team All-NESCAC.

With a team made up largely of first-years, this was somewhat of a building season for Bates Softball. Despite this, the team put together some memorable wins led by the upperclassmen and kept their losses close, with ten games decided by just one run. Sophomore Cami Dyson was named 2nd Team All-NESCAC by leading the 'Cats in hits and compiling the second-best batting average in the conference. With only the loss of senior tri-captain Sarah Huffman, the squad of youngsters will undoubtedly become a potent force on softball fields all across New England.

Bates Baseball experienced its most successful season since 1992 finishing the 2002 campaign with a 13-17-1 record. The Bobcats capitalized on a blend of youthful exuberance and athleticism from 24 first and second year players combined with the leadership and experience of just six upperclassmen to form a competitive and explosive team. NESCAC wins over Williams, Trinity, Amherst, and a sweep of Colby were all highlights of this turnaround season. The Bobcats will miss the services of seniors Shane Delaney, John Merriman, Jason Pinkham, and Ben Donaldson in 2003, but Bates Baseball is back on the map and next year's team will look to build on this year's improvement.

This year's Bobcat court squad included two first-years in the starting lineup and still managed to make the tournament with strong leadership from the upperclassmen. For the 3rd time in Captain Ben Lamanna's Bates career, the 'Cats were a dangerous team in the NCAAs. The main ingredient in the 'Cats consistent success is the depth that Coach Gastonguay has recruited throughout the lineup. The other key factor in Bates Tennis is the bonding on the arduous van rides and competing in off-the-court activities at Turner House. Jouneyman and spiritual leader Chris Callagy has instilled absolute mental soundness in mostly everybody he consulted with, which is a main reason why Bates Tennis will be successful in the future. With bigger and better accomplishments ahead for the younger Bobcats, the graduating Lamanna and Callagy will be lifelong fans hoping to see the 'Cats make it past the regionals and into the nationals!

With an extremely young group of Lady Bobcats the women's team hopes to continue to improve their game each year. The team looks to combine incoming young potential with the leadership and experience of the upperclassmen in 2003.

The Men's Rowing team had a very successful fall season. The Varsity 8+ won the club division and came in 3rd in the varsity division at the Textile Regatta; the same boat finished 10th at the Connecticut, with the Novice Men taking 3rd in their race. At the Head of the Charles, the Varsity 4+ and 8+ both finished in the top halves of their races. The Varsity 8+ crew also logged a victory at the BBC regatta. The highlight of the spring season for the Men's team was the NE Championships, where the Varsity 8+ finished 4th, the highest finish in Bates Men's Rowing history. The performances by all three Men's boats qualified them for the Avaya Championships, one of the most competitive regattas in the country.

The Women's team progressed greatly throughout the 2001-2002 racing seasons. Improvements continued through the winter to make for a very competitive spring season. The Bobcats competed in the toughest schedule in NESCAC, racing the top teams in the region. By the end of the season the Varsity Women's 8+ was ranked 13th in the nation. Additionally, the Novice Women's 8+ won both the New England Championships and the Avaya Collegiate Championships. These accomplishments made this the most successful season in the history of Bates Women's Rowing.

These lady Bobcats put on a fantastic showing this season. At the rainy Bates-hosted NESCAC Championships sophomore Liz Wanless and junior Kelley Puglisi earned 1st place finishes in the shotput and 1,500, respectively. Puglisi took her 1,500 abilities all the way to the NCAA Championships where she finished an impressive 3rd, earning All-America honors and setting the new Bates record. With the skills, hardwork, and determination of this team only bigger and better things can happen in future years for these harriers, throwers, and jumpers.

2002 will be remembered as one of Bates Track's most memorable seasons. With the opening of the new track the 8th team in the nation now has a place to host meets for the first time since 1976. Senior captain Jaime Sawler hurled his way to his 2nd national championship this year in the hammer while junior Justin Easter won the steeplechase at the NCAAs. While these amazing individual feats would alone make for a spectacular season, the most poignant moment came when the underdog Bobcats came together and brought back the State of Maine title to Bates.

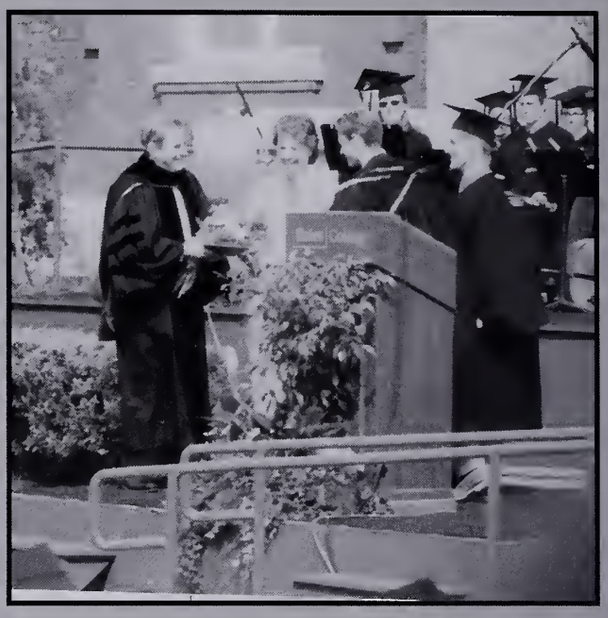
FACULTY & STAFF

Thanks to Don Harward for his thirteen years of service and leadership as the sixth president in the history of Bates College.

PRESIDENT OF THE COLLEGE

DONALD W. HARWARD

1989-2002



Bates graduated both a senior class and a president in 2002, as Don Harward stepped down from leadership of the college after thirteen years of dedicated service. His legacy is filled with the respect of students, faculty, staff, trustees, and community.

It was under President Harward that Bates reached out institutionally to the Lewiston-Auburn community for the first time in many years. Beginning with the removal of the wire fence separating the campus from its Lewiston neighbors, opportunities increased for both students and faculty to build relationships with the community. Bates now boasts one of the most active service-learning programs in the country, and has played a prominent role in the LA Excels community alliance. The soon-to-be-opened Donald W. and Ann M. Harward Center for Community Partnerships will consolidate existing programs and ensure the continued growth of Bates/LA cooperation and collaboration.

Significant steps were taken on campus as well, as President Harward oversaw the creation of two dozen new academic programs and further integration of the senior thesis into the curriculum. Students were given more opportunities for research, both independently and with professors, and for off-campus study. Bates also grew physically during Harward's tenure, with the addition of many new academic, residential, and athletic facilities.

While the college's growth in the past thirteen years will certainly not be forgotten, President and Mrs. Harward will perhaps be remembered more strongly on a personal level, whether through relationships built from daily professional contact or just an occasional conversation shared at an exam-week study break. To show its appreciation, the Class of 2002 named Harward an honorary member of the class, since with the conferring of diplomas at this year's graduation he too would be commencing a new life.

SENIORS

Through the Years

From AESOP trips and freshman centers to declaring a major and junior year abroad, the underclass years were when we found our place, and ourselves, at Bates. We explored and defined our academic interests, got involved with clubs, organizations, and sports, and branched out from our freshman-dorm groups of friends to meet new people and live new places.

Last Year at Bates

Senior year presented us with some of our greatest challenges at Bates as we faced thesis and countless hours in the library, lab, or studio. We struggled to make plans for the future and perfect our job and graduate school applications. But we also enjoyed the greater independence of living off-campus, or the "retirement" community of the Village. We made time for our final competitions and concerts, nights at Muddy Waters, Pub 33 and The Goose, and most of all, for sharing the company of friends.

SENIOR WEEK

Time to Celebrate!

The Class of 2002's last week at Bates was filled with mixed emotions for some, but plenty of fun for all. Following the Pub Crawl, seniors packed Muddy Waters, drinking and dancing to the music of Bates grads Green House. Journey by schoolbus to a night of baseball and bars in the Old Port, inflatable games on the football field, a "last chance" dance, senior-faculty dinner, day at Range Pond, and champagne semi-formal all gave us a chance to celebrate together.

SENIOR WEEK

Pub Crawl

Pub Crawl kicked off Senior Week 2002 as costume-clad pairs raced through Lewiston in festive Bates tradition. From The Goose, The Cage, and Pub 33, seniors ran, walked, or stumbled to the Rand finish line to the cheers of underclassmen and the congratulations of honorary class member President Harward. Not even the icy waters of the puddle could chill the senior spirit.

Midnight Madness

True camaraderie and love of beer combined for the Class of 2002's final celebration under the Library Terrace. A wild spree of music, dancing, and an endless supply of quality brew made the long last night at Bates certainly something to remember. As the sun rose over the summit of Mount David our college careers came to an end, with the Commencement ceremony only a few hours away.

We can honestly say that when we agreed to take on this position at the end of our freshman year we had no idea what we were getting ourselves into. Here we are three years later, much more knowledgeable in all things yearbook, more connected to the Bates campus and how to work within it, and more experienced in stress-management (or at least stress). It's been a long haul, but this is the book we've been working towards and are most excited to present.

The production of The Mirror would be impossible without the help of numerous people both on and off campus. First and foremost thanks go to the crew at the Jostens plant and Sandy Moses, who repeatedly put up with our less-than-casual adherence to deadlines. Cole Harris's confidence in us to get the job done never waned and we appreciate his time and generosity during our tenure. We're grateful to Mark Maserjian and Portrait Imaging Company for taking senior portraits on-campus, and Camera Service Center in Lewiston for developing all of our film.

College Relations provided all of the varsity team photos, as well as several images of campus events. The Bates Student was kind enough to let us use their photo files to complete our coverage of sports and student life. Thanks to Dan Neumann, Christina Dove, Vanessa Williamson, Kerrin Arfsten, and the rest of The Student photo staff. Leonard Plavin furnished us with his photos from dance concerts, and Suzy Preston provided some of our Women's Lacrosse and Field Hockey pictures. Faculty and office heads as well as student organization leaders were very helpful in organizing group photos. Thanks especially to the many seniors and underclassmen who shared their favorite pictures with all of us.

Laurie Henderson and the rest of the folks in Office Services were instrumental to the success of our underclass mail order campaign. Over the past two years we've drastically increased our yearbook distribution by 30% as we've improved our all-campus coverage. Sue Dionne of the financial office helped keep track of our mounting expenses, and Dave Moore with his trusty post office staff kept our packages and mail organized. Thanks to the Alumni Office for their aid in addressing the books to the Class of 2002, and our faculty advisor, Gene Clough, for his willingness to help out whenever asked.

Last but certainly not least, thanks to our staff. Leslie and Maria came through on photo assignments throughout the year, Jenn joined the layout effort in the Short Term crunch, and Tory was constantly offering her assistance. Good luck to her and Ian as they take on the 2003 book.

Finally, despite much juggling with thesis work, computer struggles, never-ending job searches, and the desire to simply enjoy our senior year, The 2002 Mirror is here. It's certainly been an experience we'll never forget. Hopefully, as you turn these pages, the book will reflect some fond memories for you, too.

Megan and Albert
